

To download and install the Assurity Life Portraits software, you will need to log in to Assurity's website, then follow these directions:

1. Click on Life Portraits Illustration Download on the left (under Download Link).
2. Select SAVE - Save to DESKTOP.
3. Before exiting the web site, you MUST go into the ONLINE Illustration System (see link on the left). If any information is missing in your account, you will be asked to complete it, then click LOGOUT.
4. Go to DESKTOP and find the Life Portraits Desktop icon – Click and Run. Follow the default prompts.
VISTA and Windows 7 Users – Right-click and run as Administrator.
5. Go to ASR Life Portraits icon. Click Start.
VISTA and Windows 7 Users – Right-click and run as Administrator.
6. Click Connect.
7. Log in to AssureLINK.
8. You may be asked to install an Active X file – this will show up at the top of your screen.
9. Click on Set-Up. From this you should get a message that your information has been transferred. Say OK and close the window.
10. Click on ASR Life Portraits ES. Now your name will be there and you are ready to use the software.
